Throughout the 2009-10 financial year we will gradually revert back to the system described in our constitution, whereby fees are due at the time of the AGM each year. **Your 2009-2010 fees will only be for the period up to the date of the 2010 AGM.** You will be sent a reminder when your fees are due. To assist our treasurer, please pay promptly, using the form she sends you.
